Preliminary Datasheet

Wall Mount for Sharp Large Format Displays

Wall Mount PD02W T L L

Wall Mount PD02W T L L

Large universal wall mount with tilt function for 40" to 65" NEC large format displays. Landscape orientation.

Benefits

Easy creation of multi-monitor menu boards – using optional connector kits for configuration

Simplify installlation and maintenance – post-installation lateral shift allows displays to slide apart and back together

Easy to adjust – by using fingertip tilt technology

Easy access under the screen – with built-in cable stand

Easy set-up – hear an audible click when the display safely engage with the mount

Specifications
