The AL-2061 is compact yet powerful and is ideal for home/small office environments. This versatile desktop model can handle any small volume print, copy and scan jobs with ease. It can output up to 20 pages per minute and the first copy is produced in 8 seconds or less. The paper capacity is excellent for a machine this size – standard 300 sheets (including a 50-sheet bypass tray). It also comes with standard duplex printing & copying, Reversing Single Pass Feeder (RSPF) and e-Sort functionality which helps to improve productivity. The AL-2061 scans in full colour at 600 x 600 dpi. Excellent image quality is ensured with Digital Auto Exposure and Text/Photo Mode that make copy contrast between photos and text in documents excellent. Complying with the new Energy Star criteria, the AL-2061 is kind to the environment too with features such as Toner Saver Mode and Auto Power Shut-Off.
